Step 2:

Sign in to the MFT service using your existing login credentials (User Name and Password):

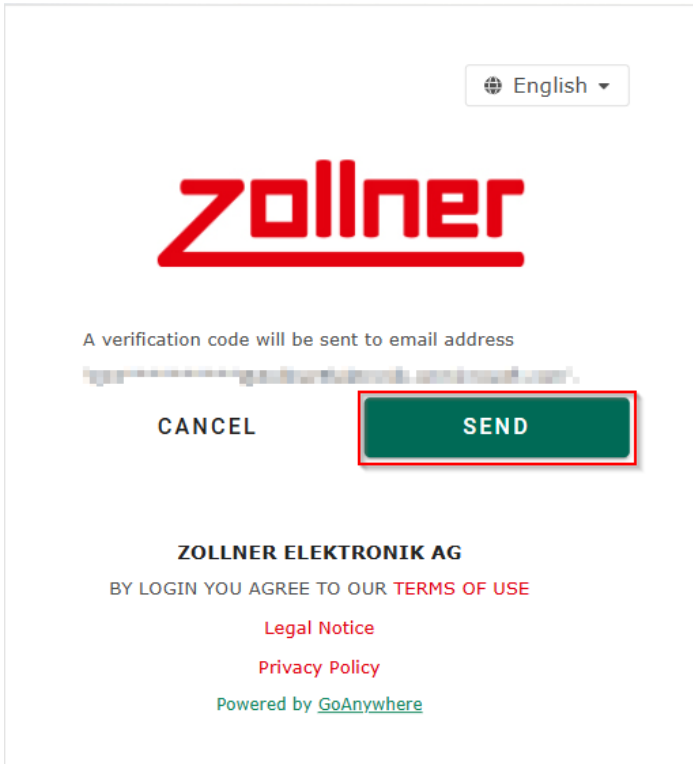

The screenshot shows the login interface for the Zollner MFT service. At the top right, there is a language selection dropdown menu set to "English". The Zollner logo is prominently displayed in the center. Below the logo are two input fields: "User Name" and "Password". A green "LOGIN" button is positioned below the password field. Underneath the button is a link for "Forgot Password?". At the bottom of the page, it states "ZOLLNER ELEKTRONIK AG" and "BY LOGIN YOU AGREE TO OUR TERMS OF USE". There are also links for "Legal Notice" and "Privacy Policy", and a note that the service is "Powered by GoAnywhere".

Step 5:

Paste the copied one-time password into the MFT user interface and click "Submit".

The screenshot shows the Zollner MFT 2FA verification interface. At the top right, there is a language selection dropdown menu set to "English". The Zollner logo is prominently displayed in the center. Below the logo, the text "Enter verification code" is shown above a text input field. Underneath the input field are two buttons: "CANCEL" and "SUBMIT". The "SUBMIT" button is highlighted with a red border. Below the buttons, there is a link: "Click here to resend the verification code". At the bottom, the text "ZOLLNER ELEKTRONIK AG" is displayed, followed by "BY LOGIN YOU AGREE TO OUR TERMS OF USE". Below this are links for "Legal Notice" and "Privacy Policy". At the very bottom, it says "Powered by GoAnywhere".

If everything worked correctly, you are now logged in to the MFT system.
